Contract For:

Design Services

Architect's Project NO:

0808F

Contract Dated:

Nov. 20, 2008

The Work shall be carried out in accordance with the following supplemental instructions issued in accordance with the Contract Documents without change in Contract Sum or Contract Time. Proceeding with the Work in accordance with these instructions indicates your acknowledgement that there will be no change in the Contract Sum or Contract Time.

Description:

Two data outlets in the Work Room are to be relocated to Bedrooms 104 and 107. The two data outlets in the Work Room are as follows: the one located on the south wall and the south-most outlet located on the west wall. Two data outlets in the Training Room are to be relocated to Bedrooms 110 and 112. The two data outlets in the Training Room are as follows: The north-most data outlet on the west wall and the north-most data outlet on the east wall (remaining data outlets in this space to be equally distributed along the west and east walls). All relocated data outlets (in the Bedrooms) to be specifically located in the field by the owner.
