Contract For:

Design Services

Architect's Project NO:

0808F

Contract Dated:

Nov. 20, 2008

The Work shall be carried out in accordance with the following supplemental instructions issued in accordance with the Contract Documents without change in Contract Sum or Contract Time. Proceeding with the Work in accordance with these instructions indicates your acknowledgement that there will be no change in the Contract Sum or Contract Time.

Description:

Relocate the boulder wall that is currently located on the construction documents (but not constructed at this point) at the north side of the building (along Last Chance Drive) to a location behind the garbage bin at the south east corner of the site. New boulder retaining wall to be located above existing boulder wall. General Contractor to coordinate location and design (design to be consistent with previously built boulder walls).
